

**DYMO****LabelWriter**<sup>®</sup>**SE450**

Professional Label Printer for Serial and USB Connections

## Integrate label printing into your custom applications and embedded systems

The new LabelWriter SE450 printer supports serial or USB connectivity to provide a fast, compact, reliable and whisper-quiet solution for quickly and seamlessly integrating label printing into any custom application running on Linux, DOS, Windows, MAC or embedded platforms – a perfect fit for virtually any work environment, and guaranteed to impress your most demanding customers.

### LabelWriter<sup>®</sup> SE450 Printer Features:

- 1 Connects to any computer or device with an RS-232 serial port or USB port and accepts plain ASCII print data and formatting commands to print complex labels using a simple command language. The LabelWriter SE450 technical reference documents all commands you need to control the printer from a computer or device, without the need for specialty printer drivers.
- 2 Includes 26 built-in barcode symbologies, including Codabar, Code 3 of 9, Code 128-A, Code128-B, Code128-C, Code128-Auto, UPC-E, UPC-A+5, EAN-8, EAN-13, EAN-13+2, Bookland EAN, SISAC, PDF417, Data Matrix.
- 3 Supports user-definable page height, print density, positioning and orientation.
- 4 Includes 5 internal fonts, each printable in regular, double-height, double-width and double-height/double-width sizes.
- 5 Prints all standard ASCII characters plus foreign characters for Western Europe.
- 6 Includes printable bezel plate - customize it with your logo and contact information.
- 7 Accepts bitmap data for printing graphics.
- 8 Compact size fits in virtually any work environment.
- 9 Prints fast – up to 48 labels per minute (\*4 line address label in USB).
- 10 Comes with 90 - 240 VAC universal power adapter.
- 11 Includes DYMO SDK and DYMO Label v.8 software – lets users design labels onscreen, print labels from popular software programs, and more.
- 12 Parallel adaptor available for even more connection options.

### Package Includes:

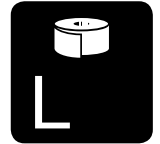

- LabelWriter<sup>®</sup> SE450 printer
- Quick Start Guide
- Universal 90-240 VAC power adapter
- CD-ROM with Users Guide and sample programs
- Serial and USB Cables

### Product Technical Specs:

Max. label width	62mm
Max. print width	57mm
Print Speed	48/40 lpm (USB/Serial)
# of labels supported	16 labels
Resolution	203 dpi
Size of unit	184mm x 124 x 146 (LWH)
Support	Mac, Windows, Linux, DOS, Embedded Systems
Connectivity	USB/Serial
Print method	Direct Thermal
Print Head Life	50km
